TO PRACTICE NURSING IN THE	:	on <u>January 21, 2016</u>)
STATE OF NEW JERSEY	:	

This matter was opened to the New Jersey State Board of Nursing (the "Board") upon receipt of information which the Board has reviewed and upon which the following findings of fact and conclusions of law are made:

FINDINGS OF FACT

1. Linda J. Jedju ("Respondent") is a Registered Professional Nurse in the State of New Jersey and has been a licensee at all times relevant hereto. (Exhibit A).

2. On or about April 10, 2013, Respondent completed and submitted an online biennial renewal application which asked whether Respondent would have "completed the required continuing education credits by May 31, 2013," referring to the biennial renewal period of June 1, 2011 to May 31, 2013. Respondent answered "Yes" and certified that answer by submitting the online application. (Exhibit B).

3. Upon receipt of information indicating that Respondent was terminated by her employer, Hillsborough Township Board of Education on March 24, 2014 for reasons adverse to patient care and safety, the Board sent a letter of inquiry requesting certain information and documents regarding the events and conduct leading to her termination, Respondent's nursing practice, and continuing education to Respondent's address of record in Flagtown, New Jersey, via regular and certified mail on or about November 20, 2014. The regular mailing was not returned and the certified mailing was delivered on December 5, 2014 as per the USPS Tracking website. (Exhibit C).

4. Respondent's attorney wrote to the Board and requested further information before his client provided a response. He indicated that he had limited communication with his client. Respondent has not provided any further response, information, or documentation. (Exhibit D).

5. On or about April 1, 2015, Respondent completed and submitted an online biennial renewal application which asked whether Respondent would have "completed the required continuing education credits by May 31, 2015," referring to the biennial renewal period of June 1, 2013 to May 31, 2015. Respondent was also asked whether she completed the required one hour course on Organ and Tissue Donation. Respondent answered "Yes" to both questions and certified the answers by submitting the online application. (Exhibit E).

CONCLUSIONS OF LAW

Respondent's failure to fully respond to the Board's request for information constitutes a failure to cooperate with a Board investigation, in contravention of N.J.A.C. 13:45C-1.2 and 1.3, which the Board deems professional misconduct pursuant to N.J.S.A. 45:1-21(e) and also subjects Respondent to disciplinary action pursuant to N.J.S.A. 45:1-21(h).

Pursuant to N.J.A.C. 13:37-5.3(b), nurses are required to complete a minimum of thirty (30) hours of continuing education

during the preceding biennial period in order to renew their licenses. Pursuant to N.J.A.C. 13:37-5.3(f), nurses are required to maintain documentation of completion of continuing education for a period of four years after completion, and shall submit such documentation to the Board upon request.

By virtue of having failed to fully respond to the letter of inquiry, Respondent is deemed to have failed to demonstrate, to the satisfaction of the Board, that Respondent completed the continuing education credits required for renewal during the biennial period of June 1, 2011 to May 31, 2013. The Board therefore finds Respondent in violation of N.J.A.C. 13:37-5.3(b) and 13:37-5.3(f), which in turn subjects Respondent to sanctions pursuant to N.J.S.A. 45:1-21(e) and (h).

Respondent's use of dishonesty and misrepresentation during the license renewal process in falsifying her continuing education information constitutes a violation of N.J.S.A. 45:1-21(b), subjecting Respondent to sanctions.

ACCORDINGLY, IT IS on this 3rd day of September, 2015, ORDERED that upon the filing of a FINAL ORDER OF DISCIPLINE in this matter:

1. Respondent's license to practice nursing is suspended until such time as Respondent cooperates fully with the Board's investigation by providing the Board with the information

requested in the Board's letter of inquiry and proof of completion of thirty hours of continuing education for each biennial renewal period from June 1, 2011 to the time of reinstatement (30 hours for June 1, 2011 - May 31, 2013, 30 hours for June 1, 2013 - May 31, 2015, and any hours completed for the current period of June 1, 2015 - May 31, 2017). Continuing education hours taken currently and applied to cure the deficiency from previous biennial periods shall not also be used to satisfy the requirements of the current biennial period.

2. A reprimand is imposed on Respondent for falsifying the continuing education information on her license renewal application.

3. Respondent is assessed a civil penalty in the amount of seven hundred and fifty dollars (\$750). Said penalty is an aggregate penalty, which includes a penalty in the amount of five hundred dollars (\$500) for failure to cooperate with a Board investigation and a penalty in the amount of two hundred and fifty dollars (\$250) for failing to timely complete required continuing education. Payment shall be made by certified check, bank cashier check, or money order payable to "State of New Jersey," or by wire transfer, direct deposit, or credit card payment delivered or mailed to State Board of Nursing, Attention: Leslie Burgos, 124 Halsey Street, P.O. Box 45010,

Newark, New Jersey 07101. Any other form of payment shall be rejected and shall be returned to the party making the payment. Payment shall be made no later than fifteen (15) days after the date of filing of a **Final Order of Discipline**. In the event Respondent fails to make a timely payment, a certificate of debt shall be filed in accordance with N.J.S.A. 45:1-24 and the Board may bring such other proceedings as authorized by law.

4. Respondent shall refrain from practicing as a nurse and shall not represent herself as a Registered Professional Nurse until such time as her license is reinstated. Any practice in this State prior to reinstatement shall constitute grounds for a charge of unlicensed practice.

5. The within order shall be subject to finalization at 5:00 p.m. on the 30th day following entry hereof unless Respondent requests a modification or dismissal of the above stated Findings of Fact or Conclusions of Law by:

a) Submitting a written request for modification or dismissal to State Board of Nursing, 124 Halsey Street, Attention: Leslie Burgos, Sixth Floor, 124 Halsey Street, P.O. Box 45010, Newark, New Jersey 07101.

b) Setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed.

c) Submitting any and all documents or other written evidence supporting Respondent's request for consideration and reasons therefor or offered in mitigation of penalty.

6. Any submissions will be reviewed by the Board and the Board will thereafter determine whether further proceedings are necessary. If no material discrepancies are raised through a supplemental submission during the thirty-day period, or if the Board is not persuaded that the submitted materials merit further consideration, a Final Order of Discipline will be entered.

7. In the event that Respondent's submissions establish a need for further proceedings, including, but not limited to an evidentiary hearing, Respondent shall be notified with regard thereto. In the event that an evidentiary hearing is ordered, the preliminary findings of fact and conclusions of law contained herein may serve as notice of the factual and legal allegations in such proceeding. Further, in the event a hearing is held and upon review of the record, the Board shall not be limited to the findings, conclusions and sanctions stated herein.

8. In the event the Board receives no written submission from Respondent within 30 days following filing of this Provisional Order of Discipline, without further Board review,

the Provisional Order of Discipline shall automatically become the Final Order of Discipline. The box for Final Order of Discipline shall be checked, the Final Order of Discipline shall be filed, and copies shall be mailed to Respondent. Thereafter, Respondent's failure to comply with any sanction or penalty imposed by this Order shall be considered a violation of a Board Order in contravention of N.J.S.A. 45:1-21 (e) and (h) and N.J.A.C. 13:45C-1.4 and may subject Respondent to additional sanction and/or penalty.

9. The Board reserves the right to initiate disciplinary proceedings based upon any information that Respondent ultimately provides in response to the letter of inquiry or upon any new information the Board receives.
